

Magical[®] Ruby Red

Hydrangea macrophylla

Magical[®] Ruby Red Hydrangea

The reddest hydrangea to date, this beauty will dazzle you with glistening-red, gemstone-like color and non-stop performance. Dark-green leaves are nearly black, and offer a lovely backdrop for the durable, repeat-flowering blooms. As the flowers age, they fade to a deeper red-wine color. Blooms on old and new wood

May- September

Magical® Candle PP 22,111

Hydrangea paniculata 'Bokraflame'

Magical® Candle Hydrangea: Immense, porcelain-white flower heads appear back lit to create a surreal glow of soft, yellow flowers above tall, erect stems. A robust grower, the dense, lacy panicles of this variety are among the most beautiful in its class. A lovely choice for the summer garden, when so many flowering shrubs have taken a rest, Candle will give you plenty of enjoyment from July-Sept.

Magical[®] Sunfields

Hydrangea macrophylla 'Kolmagics'

Magical[®] Sunfields Hydrangea: Unique in its color, hard, rose-red blooms are tinged with bright green. As the flowers mature, green becomes the prominent color, while rose-red appears more like a frame for each petal.

Wings of Fire

Weigela florida 'wings of fire'

Wings of Fire: In spring, the leaves are green and soon there comes a bronze hue on them. During summer this soon turns to a red glow. In the autumn this gives a splendid wine red autumn colour.
